

Dear Friends,

My name is Chris Forbes, and I am thrilled to be running for the NBCC Board of Governors. With 16 years of experience in post-secondary education and as a proud 2024 graduate of Management Academy, I am eager to bring my skills and experience to this important role.

As the Facilities Manager at NBCC Fredericton, I lead a dedicated team to ensure our campus and corporate office operate smoothly and efficiently. I also chair the Fredericton Campus Joint Health and Safety Committee and serve on the Research Ethics Board, reflecting my commitment to collaboration, accountability, and ethical decision-making.

I am deeply passionate about NBCC's mission and the vital role it plays in our community. As an NBCC alumnus, I hold a strong personal connection to the college—it feels like a family to me. This sense of belonging inspires me to give back and help ensure NBCC continues to be a positive environment for everyone.

I believe my leadership experience, coupled with my dedication, positions me to contribute meaningfully to NBCC's Board of Governors. My goal is to ensure NBCC remains a pillar of educational excellence and a supportive environment for everyone who is part of our college community.

Thank you for your consideration and support. Together, we can make a lasting impact on our college and community.

Regards,

Chris Forbes, P.Tech., CEFP
